Scholarship Application

The California Subject Matter Projects have devised a scholarship program for a limited number of participants that are unable to secure funds to attend project-sponsored programs. Participants receiving scholarships will complete a form to be submitted to the California Department of Education indicating that they have not nor will not receive state, federal, or private funds (funds received through a school or school district) and will be paying for project services as an individual. The cost to the individual shall be \$200.00. Due with registration is the first payment of \$50. Then the balance of \$150 may be paid on the first day of project services or in three monthly payments of \$50 beginning with the first day of project services.

Applicant's Name _____

School _____

District _____

By signing my name, I affirm that I have not received nor will I receive state, federal, or private funds (funds received through a school or district) to cover the cost of a program or programs sponsored by a site of the California Subject Matter Projects. I agree to personally pay for project services as an individual prior to provision of services or at each session of the program.

Signature of Applicant

Date

Submit this signed scholarship form along with your registration form. Registration forms are available online at <http://www.ie-stars.net/>.
