This year we are presenting a stellar mini-conference, featuring **presentations by teachers from Southern California and beyond**. Come join your colleagues for a day that is sure to be stimulating. There will be five sessions of one hour—two before lunch and three after lunch. For each time slot you will be able to choose from ten different topics.

For descriptions of interest sessions see attached sheets or go to <http://www.clta.net/jamboree>. Look these over and on the registration form, **check the boxes of the five** you think you would be most interested in attending. The schedule of presentations will be finalized based upon the preferences you and other registrants submit. This is just to help us plan; you will be able to attend any session you want that day.
